Dear Steve Brand:

Spur Petroleum Ltd.
3.61-Megawatt Lamont Power Plant
Proceeding 29723
Application 29723-A001

Withdrawal of application

1. On December 17, 2024, Spur Petroleum Ltd. filed an application with the Alberta Utilities Commission to construct and operate the 3.61-megawatt Lamont Power Plant, in the Smoky Lake area.
2. On February 12, 2025, Spur filed a letter requesting that its application be withdrawn. Spur stated that, while preparing its responses to information requests, it became aware of necessary changes to the project's specifications. Spur noted that it plans to submit a new application following its re-evaluation of the project.
3. Pursuant to Section 12.2 of Rule 001: *Rules of Practice*, the Commission accepts the request to withdraw the application and will proceed to close Proceeding 29723 without further process.
4. Should you have any questions, please contact Kloria Wen at 403-592-4367 or by email at kloria.wen@auc.ab.ca.

Yours truly,
